TO THE FAMILIES OF HIGHLANDS PEDIATRICS:

I want you to know how much I have enjoyed practicing pediatrics for the last 25 years in Abingdon Virginia. I appreciate you allowing me to care for children and be a part of your families. I have felt very honored when the children I have cared for grow up and allow me to care for their children.

I need to let you know that I am retiring at the end of this year, 2020. I will certainly miss all of you. I wish you the best. I hope you all stay healthy and safe.

I will continue working full time until the end of the year so I will be available if you need a visit. I do hope that you allow the wonderful staff and doctors at Highlands Pediatrics to continue to care for your child.

Thank you,
